

Recommendations: Tami S. Tsark

1. Projects Director Independent Contractor

[Marc Holmes](#)

Head of Growth Marketing at Docker, Inc

I worked with Tami at Meteor Development Group and Docker where she and the team provided creative services from web to copy.

In both cases, Tami provided the project management skills and leadership and I found myself in the unusual position of having an agency deliver on-time and on-budget. As a result, I'd recommend her for your project!

[Neal Davis](#)

Writer, Producer, Director at Group 5 Media

I've teamed with Tami Tsark on many projects over the years when she was a producer at WestEd. She is smart, detail-oriented, and highly organized. I depended on her for time-sensitive feedback and she was always prepared with ideas always that were thoughtful and creative. She is a producer's producer, a relationship-builder, and great to work with.

September 9, 2013, Neal was with another company when working with Tami at WestEd

[Mark Nutini](#)

Interactive Application Developer at WestEd

Tami is an inspiration to work with. She has a great eye for detail and an endless drive to keep on a task until it's completed to her standard. She's dedicated to her team and will see to it that any issue is handled with speed and professionalism. I look forward to opportunities to work with her again in the future.

[Nick Lyons](#)

Motion Designer

I worked with Tami over the summer of 2008 at our Tech Camp in Marin, California. She was our Animation Instructor and did a superb job. This was Tami's first teaching position with children, but you could not tell by how quickly she acclimated to her new environment. Tami has a very upbeat, positive attitude and is terrific at giving constructive feedback. She also did a good job problem solving from day to day and more importantly managing an entire curriculum and classroom. I would be more than happy to work with Tami again in the future.

3. Director of Special Projects

Digital Brewing Company

[Paul Ziller](#)

Contractor at QuinStreet

Tami played a very positive role in helping further the progress of our process, and our continual growth in working as a true team. She offered a nurturing, and collaborative style, which is certainly hard to come by. As a Director, and interpersonally, she cared about and was invested in the well being, creative spirit, and high-level functioning of each individual...[more](#)

Bill Kolarik

at City of San Francisco - Department of Technology

I had the pleasure of working with Tami at several web and multimedia design companies over the past few years. Tami is consistently upbeat, creative, proactive and professional. She has the ability to take often ambiguous creative concepts and ideas and translate them into a well organized framework for development. Tami has a great sense of humor and she is able to maintain a level head and a calm attitude in often chaotic, priority changing situations. I hope to have an opportunity to work with her in the future.

February 23, 2008, Bill reported to Tami at Zing Network

6. Producer

Broderbund (Living Books/Random House)

Jane Scolieri

Digital Producer / Project Manager

While working with Tami in her producer capacity, I found her to be extremely attentive to schedules and budgets and someone who kept all assets on track. In brainstorming sessions she always had great contributions. I have since discovered she is also an extremely creative artist who can really capture the essence of her subjects.

June 19, 2007, Jane worked with Tami at Broderbund (Living Books/Random House)

7. Post Production Supervisor, Production Mgr., Casting

Klasky Csupo

Li René Harmon, MSIT

Alana Dill

Owner, head artist and painter at Alana Dill, Artist

Tami's work as a project manager was exemplary. We worked together first for Broderbund, then at its subsidiary, Living Books, and again freelance for Broderbund. Projects included Berenstain Bears and Rugrats. She was great at planning, organizing, keeping us all motivated, and communicating clearly about expectations and deadlines. Her friendly, serene temperament was...**more**

Bert King

Technical Director at Walt Disney TV Animation

I worked with Tami for approximately five years and in that time I found her to be a very intelligent, productive, creative and resourceful co-worker. She's a real problem solver and has great people skills. I would recommend her for any position she should choose to pursue.

February 5, 2008, Bert worked indirectly for Tami at Klasky Csupo

John Holmquist

Animation Director at Fox Television

I worked with Tami on the first two seasons of Rugrats and was very impressed with her organization in what was often times a very unorganized production. Tami always had a smile on her face and a Post production session she was either retuning from or going to. Tami is both passionate about her work and a pleasure to work with.
